**WARRIORS**

February/March 2021

Greeting from the Copper Country Christian School,

Family is an important part of the Christmas season, we hope you were able to spend time with family despite Covid restrictions to celebrate the birth of our Savior.

The Lord has kept us safe so far this year as we have had no cases of Covid among our school family. The Basketball season was a victim of the shutdown of sports, but restrictions have eased a little, we are planning on attending one tournament this winter. The team has begun to practice again which has brought smiles to the faces of many students.

With the uncertainty of restrictions going forward we have again decided not to hold our Annual Auction this spring. This fund raiser is an important part of raising funds for special projects and to help meet the short fall in general operations revenue. A letter will be coming out in the near future outlining the projects we would like to accomplish this year. Please pray about how you can be a part of this event.

Please be in prayer as we put together next years schedule of classes and the right people to teach those classes. Thank you for your part in the continued success of this school year. We could not have done it without you.

Gratefully,

A handwritten signature in black ink that appears to read "Mike".

We appreciate your involvement in the ministry of the Copper Country Christian School. No goods or services were provided or exchanged in consideration of this contribution. Your contributions are tax deductible.
